Daily Appeal.

The South must stand upon the defensi dogmas of the Black-Republican . She mus maintain her honor by planting herself upo her constitutional rights as they have been proclaimed by the high authority of Demratic National Conventions, and as they have box. She must stand upon the common ground that has been tred upon by the Democracy all their contests, and that has been hallower by the united reverence of all her sons. If shcore buttle in such a contest, abe will have

trolled by the wise and moderate counselors, and an energetic display of wealth and induwho, in the hour of danger, are always the freest and the most reliable. But if we fall in the centest, we will be united among curselve and though we may be overpowered by suprighteoms cause to work out our destiny, and ng one-twentieth of the crop. Sup one you randicate us outside of the Government. Mr. Boyce, therefore, wisely counsels coconnes with her destiny and principles; a sense for her inside of or out of the Union answer lu the cotton ; only give it direction Who shall say that his advice is not master! his policy true, and his statesmanship const muste?
